

Gifts of Appreciated Securities

Make your gift via stock or mutual funds!*

Securities with large unrealized profits (long-term capital gains) make great gift options to Boys & Girls Clubs of Central Florida ("BGCCF"). The profit on your securities will escape taxation and your charitable deduction will be the full market value of your investment as long as the security has been held for more than one year. Gifts of securities may be deducted up to 30% of your adjusted gross income, with a five-year carryover for excess deductions if you itemize deductions. Remember that BGCCF must receive your gift of securities on or before December 31 for it to be deductible in that calendar year.

Here's an example of how donating your appreciated investments can be a good option for you. Let's assume you're in the 32% tax bracket and want to donate \$100,000 worth of stock. The table below shows that donating your stock results in no capital gains tax and a larger itemized deduction for you to claim:

	Option 1: Sell your stock first and then donate the net proceeds	Option 2: Donate your stock directly to Boys & Girls Clubs of Central Florida
Current fair market value of stocks	\$100,000 (1,000 shares x \$100/share)	\$100,000 (1,000 shares x \$100/share)
Long-term capital gains tax paid ¹	\$14,250	\$0
Amount donated to BGCCF	\$85,750	\$100,000
Your Personal income tax savings (0.32 x amount donated) ²	\$27,440	\$32,000

¹This analysis assumes you have a cost basis of \$5,000, that you have held your investment for more than a year, and that all realized gains are subject to a 15% long-term capital gains tax rate. It does not take into account any state or local taxes. ²This analysis assumes you are in the 32% federal income tax bracket and also does not take into account any state or local taxes.
