*Hello Ozians!*

We're off to see the wizard, and it's going to be a magical night!

To help you dress in your Ozian best, we've conjured up this year's Celebrate the Children Look Book, featuring friends we've met along the Yellow Brick Road.

As you explore this style guide, you'll discover a world of fashion choices inspired by the beloved characters of Oz. Whether you're enchanted by the elegance of Glinda (like me!), the mystique of the Emerald City, or the charm of Dorothy's iconic ruby red slippers, we invite you to let your imagination shine through your outfit as we journey to Club Oz.

If you're feeling a little more like the Cowardly Lion, don't worry! We welcome you to come as you are. Your presence is what truly makes this celebration special, and we're thrilled to have you join us in Oz!

See you over the rainbow in Oz!
